A circular seal with a serrated edge, containing the text 'Mitacs Globalink Research Internship' in orange and white. The seal is positioned in the lower center of the page, overlapping the project details and the signature area.

**Mitacs
Globalink
Research
Internship**

Globalink Research Internships are 12 weeks
in duration and interns are required to work 40
hours per week.

A handwritten signature in white ink, reading 'Gail Bowkett', is located to the right of the seal.

Gail Bowkett
Vice President, Programs
